Dear Mr. Moles:

I am in receipt of your letter of August 9, 1963, requesting that General President Hoffa address the Annual Dinner of the Delta Nu Alpha Transportation Fraternity on October 24, 1963.

I regret to inform you that it will be impossible for President Hoffa to address your meeting. You may or may not be aware that he is going to trial in the city of Nashville, Tennessee beginning on October 14, 1963. Because of that I am unable to commit his until his trial is over.

With best wishes,

Dear Mr. Stienberg:

The Delta Nu Alpha Transportation Fraternity, Inc. of Cleveland, Ohio, Chapter 21 are holding their Annual Dinner on October 24, 1963, and the group have instructed me to endeavor to secure Jimmy Hoffa as the guest speaker of the evening.

The membership embraces all modes of transportation. The truckers and shippers are in the majority. The normal attendance would be some where around 500, but if Mr. Hoffa consents to honor us with his presence, it would inflate the attendance without exaggeration to 1,500 or 2,000. This would require a change in facilities to the Sheraton-Cleveland instead of the Manger Hotel as now planned along with other major changes in program planning.

We shall be pleasantly looking forward to hearing from you and if your answer be in the affirmative, we shall with your permission release advanced publicity in our various trade journals. We the local gentry of truckers know that his appearance would stimulate and promote favorable public relations, which has always been a prime goal of Jimmy Hoffa and a part of the industry most important to all of us!

Yours very truly,

Dear Mr. Hoffa:

You will recall that last year I contacted you on behalf of the Detroit Chapter of the Delta Nu Alpha Transportation Fraternity, inviting you to address the chapter. You advised me, on February 19, 1962, that because of existing commitments you were precluded from making any definite engagements at that time.

Once again the officers and members of our chapter have requested that I invite you to address our group and guests from neighboring chapters. Recognizing the fact that your schedule is extremely busy, I have been instructed to arrange a meeting at any date between April and June which would be convenient for you.

Dear Mr. Hoffa:-

On behalf of our Regional Delta Nu Alpha Chapters, we want you to know how grateful we are for your addressing our meeting Thursday evening, March 7th, at the Waldorf.

It was an outstanding success.

Your consideration in answering questions added greatly and your topic was stimulating to all of us.

The members of our committee also wish to convey our appreciation to your staff for their help and co-operation in working out all the details of the evening. We greatly enjoyed having dinner with you and Mr. Zaret and hope you too enjoyed becoming acquainted with DNA.

Thanks again.

Dear Mrs. Kato:-

Our Regional Delta Nu Alpha meeting last Thursday evening, March 7th, was a tremendous success and Mr. Hoffa's speech was very well received.

One of the reasons everything went so well was because of the excellent and prompt assistance you gave us in working out the details, and on behalf of DNA and our meeting committee we wish to express our appreciation for your co-operation and assistance.

I told Mr. Hoffa I wanted him to thank you personally for us, which I hope he has done, as we were all very grateful indeed.

Thanks again.

Dear Mrs. Kato:-

This will confirm your telephone conversation with our Mr. Ralph Posner, advising that Mr. Hoffa would be able to address us at our Regional Meeting in the Waldorf-Astoria Thursday, March 7, 1963.

Since my note of December 27th, an additional question has arisen, and if it is agreeable with Mr. Hoffa to allow questions after his address, we would like to know if he would consider Father Philip Carey of the Xavier Institute of Industrial Relations, New York City, as a moderator -- and if Father Carey could possibly introduce him to the group, in the event he does not have an introductory speaker of his own choice.

As we have indicated, we will be most happy to arrange the mechanics of the meeting as Mr. Hoffa wishes, and we will await your advice regarding these details.

We are indeed pleased that Mr. Hoffa will be with us and thanks again for your courtesy.

Tne enclosed communication is self-explanatory. I would recommend if you can squeeze it into some part of your over-crowded schedule that you do so. In my judgment, these forums are not alone good for Jimmy Hoffa but are also very favorable media of profiling Jimmy Hoffa and the Teamsters International Union in an area otherwise not accessible for the presentation of the Hoffa and/or the Teamsters' story.

Nicholas P. Morrissey, General Organizer

Boston 15, Massachusetts

Dear Mr. Morrissey:

Confirming our previous telephone conversations, the Boston Chapter of Delta Nu Alpha desires to devote its February 1963 meeting to a purposeful discussion of Labor-Management relations in the field of Transportation.

We feel that the very best way to do this would be to have your International President, James Hoffa, as principal speaker. Through you, we extend a most cordial invitation to Mr. Hoffa to fulfill that role.

Our meeting place is the Homestead Restaurant, 220 Alewife Brook Parkway, Cambridge and we customarily meet on the third Wednesday of each month. This would be February 20. An event of this magnitude would call for a dinner meeting with appropriate head table. It would commence at about 6:45p.m. and would be preceded by a social hour starting about 6p.m. Now, we realize that February 20 may or may not be a convenient date for Mr. Hoffa. If not, we are prepared to be flexible and do our utmost to suit his convenience for whatever time this year he can come.

Delta Nu Alpha is national fraternity, composed of about 8,500 members who work in the field of Transportation and whose goal is self-improvement through adult and continuing education.

The Boston Chapter has about 100 active members. Our meetings take the form of addresses by distinguished speakers; panels on important transportation questions and discussions by the membership with a group leader, on a particular subject. At our December meeting, Dr. Paul Cherington of the Harvard Business School spoke to us on the Future of Airfreight and fielded many subsequent questions quite capably. In November I was the discussion leader on an analysis of the Five Plans of Piggyback.

The membership is composed of Industrial Traffic Managers and

Assistants, Operating and Sales Managers from the principal modes and their assistants. Overall, it could be called a middle management group consisting partly of those who are there and partly of those who want to get there.

To the best of my knowledge, we have never had a meeting on Labor-Management relations and therefore never as a group heard a nationally-known labor leader. I think this is a serious gap in our education, one which needs prompt attention.

In the truest spirit of academic freedom, we would welcome whatever message Mr. Hoffa may have for us. Should guidelines be desired, it is my thought that his observations on the Foundation, Development, Progress and Ultimate Goals of your Brotherhood would be very well received. There would be a Question and Answer period following the address. Be assured that with a group of this nature the questions will be fair, though not necessarily easy to answer.

At prior meetings of our Program Committee, of which I am a member and also among the general membership the idea of a meeting such as I have described has been thoroughly discussed and universally approved.

Consequently, I have been authorized and feel a strong obligation to carry the ball and transform an idea into a meeting which will have great benefit for all concerned.

Your interest and cooperation are deeply appreciated, Mr. Morrissey, and I look forward to the pleasure of meeting you and your associates personally in the near future.

Sincerely,

Paul Lambert

Dear Jim:

Once again I have been requested to ask you to appear as the guest speaker at the annual dinner meeting of the DNA Transportation Fraternity Chapter #5 in New York City, New York.

As you will recall, because of your real heavy schedule last year, you were unable to accept this invitation. I am hoping that you will be able to do so at this time, and arrange your schedule in such a manner that you will be able to appear before this group of some 500 people at the New York DNA Chapter meeting. I have two definite dates that you can choose from and they will set their meeting on the one that fits your schedule the best so they will definitely be sure that they will be able to have you as their guest speaker at this annual meeting. The two dates I have been given are; any day in the first week of February, or any day in the first week of March.

Would you be so kind as to advise me which one of these days and weeks will meet with your satisfaction, I will so inform them in New York and confirm same at that time with you. Hoping that you will be able to accept our invitation this year, as guest speaker; and, with kind personal regards, I remain,

Dear Sir and Brother:

The enclosed photostatic copy of the letter from Clint Brewster is self-explanatory. I had the opportunity of addressing this group on November 24th, 1962 at Poughkeepsie, New York.

Perhaps you can make a few of the tickets of this affair available to me so that I may invite Mr. Brewster and a few other gentlemen from this chapter.

Fraternally yours,

Dear Ted:

I am writing in connection with Jimmy's Hoffa's address before the Eastern Chapters of Delta Nu Alpha, March 7 at the Waldorf Asteria, New York City; which I had indicated to you was being planned, when you addressed our group in November.

Our chapter was advised tickets (two for each member) were available to our members, only upon payment of an assessment of $30.00; to be used to defray expenses of the program. Particularly because of the small treasury of the Chapter, which is vital to pay it's ordinary expenses not withstanding animosity of several members toward Hoffa; the assessment was declined. In view of this action none of our fellows who are desirous of taking in this program shall receive tickets.

We understand it is planned to seat 1000. There are 6 or 7 of us who would like to attend. Is it possible that you might obtain sufficient complimentary tickets and join with you in attending this affair.

Your early reply would be appreciated.

With Best Regards

C. A. Brewster

Gentlemen:

Local Chapter 125 of the Delta Nu Alpha National Transportation Fraternity would be extremely grateful and happy if you could furnish us with a speaker for one of our meetings for any of the months October thru April. Our meatings are held once a month on the first Wednesday of the month.

We do not, of course, know if you have speakers available but feel reasonably sure that you probably would have someone within the area who could give us a talk outlining the benefits accruing to the employers of your Union, or what the contract calls for in the Central States Area, or some similar subject.

Our membership is composed of both shippers and carriers and we would all be most interested.

I will certainly appreciate hearing from you concerning this matter.

Dear Mr. Hoffa:

In accordance with your letter of October 26, 1961, I am again contacting you in order to ascertain if you will be able to address the Delta Nu Alpha Transportation Fraternity on April 11, 1962.

Because of the high degree of interest in this forthcoming program, we feel that it will be necessary to make our arrangements with the hotel at the earliest possible date. In line with this, we would also like to know if there are any specific arrangements which you would care to have us make on your behalf.

In the event that the previously-mentioned date is acceptable to you, we would appreciate knowing at this time the subject of your address so that we can incorporate this in our publicity.

I am looking forward to your reply and anticipating meeting and talking with you on April 11.

Dear Mr. Hoffa;

I recently attended a meeting of Delta Nu Alpha Chapter #92 in Detroit, Michigan, of which I am a member.

At this meeting, they advised us that you had been gracious enough to speak at our April meeting in 1962.

I could not help but think this would give you a wonderful opportunity to sell the trucking industry to the people who have the power to take away or give the business to our industry.

I mentioned the fact that you were going to give a talk to several of the Traffic Managers in the Detroit area. There has been a great deal of enthusiasm generated by this, for they have always wanted to hear you speak and meet you personally.

I again wish to express my thanks for your accepting this invitation, for I know it will help me sell truck transportation in the Detroit area.

Very truly yours,

R. R. Joseph

Dear Mr. Gibbons:

Reference is made to your letter of July 14, 1961, in reply to our request of June 29, concerning the possibility of having President Hoffa speak before the Detroit Chapter of the Delta Nu Alpha Transportation Fraternity in the spring of 1962.

Inasmuch as we have received no further confirmation from your office, in discussing this matter with Mr. Robert Holmes, president of Local 337, he suggested that we direct this follow-up letter to your attention to determine the possibility of Mr. Hoffa's acceptance.

Mr. Holmes further advised us of the heavy schedule of the president. Our program plans at this time are still flexible enough to permit Mr. Hoffa a choice of several dates to suit his convenience, if he will be able to accommodate us. Our meetings will be held on the following dates (each on a Wednesday evening), any one of which would be acceptable to us:

January 10
February 14
March 14
April 11
May 9

Your early reply would be very much appreciated, in order that we may make all necessary arrangements.

Dear Mr. Hoffa:

On behalf of the Detroit Chaptar of the Delta Nu Alpha Transportation Fratarnity, it is my pleasure to extend an invitation to you to address our group.

The Fraternity is composed of men working in the field of transportation, snd our membership includes representation from all modes of transportation and also industriel traffic departments.

The purpose of the Fratarnity is to encourage snd promote the field of transportation through education. Therefore, ws feel that it would be most edventageous to our maabarship to hear first hand about transportation and its affects on labor.

We are cognizant of the many demands on your time. We would, however, be most eppreciative if you could see your way clear to accept our invitation. If possible, snd if your schedule permits, we thought that our January 1962 meeting would be an excellent time. This will be held the evening of Wednesday, January 10, et the Detroit-Leland Hotel here. Should this time not fit into your schedule, we are surs that other arrangements could be made to our mutual satisfaction.

Dear Sir:

Our Organization consists of about ninety local transportation men. We are vitally interested in all phases of Transportation.

Throughout the year we try to plan programs that are educational and informative.

Because of the importance of your organization to the transportation system of our country, we are extending this invitation to the Teamsters to speak at our November meeting on the 27th.

The subject can be of the speaker's choice. The meeting place is the Air Ways Inn, here in Syracuse, at seven P.M.

It was felt that by making this request direct to you, it would result in a message allowing an insight into the ideals and aims of your organization.
